

Strengths

- Increased consistency
- Easy to use
- The tool mirrored the inspection form
- Led to more information being provided to the food facilities
- Led to easier review of inspections
- Led to easier to read violations
- Led to more brainstorming about other methods for improvement
- Helpful tool for new staff members
- Led to more team bonding

Weaknesses

- Time consuming
- Changed the inspection procedure (Strength or Weakness?)
- Completeness led to less conciseness for food facilities

Opportunities

- Encourages facilities to contact us if they have questions
- Opportunities for more explanation of violations/future PDCA project
- Opportunity to adapt form for new uses/make inspection form better
- Opportunities for more team bonding

Threats

- Time
- Emergencies
- Human nature (ex: Forget to bring form with you)
- Concise versus complete
- Language and cultural barriers
