

AMR NCM Narrative Template

Subject Code: Elig-AnnualMedReview

Description: AMR 2017

Narrative:

Janie Snickerdoodle is a XX year old female open to CCS with *insert diagnosis* (insert CCS eligibility).

Dr. Mickey Mouse, Neurosurgeon, UCD – date of last visit, date of return appointment if known and/or the interval (i.e. 1 year, 6 months, etc.)

Dr. Minnie Mouse, GI specialist, UCD – date of last visit, date of return appointment if known and/or the interval (i.e. 1 year, 6 months, etc.)

UCD HRIF Clinic – date of last visit, date of return appointment if known and/or the interval (i.e. 1 year, 6 months, etc.)

MTP kiddos – list the date of the last MTC or indicate the Medical Direction from the SCC.

PLAN: NCM to:

Extend SAR/Issue new SAR to appropriate provider to new program end date.

*If needed, the NCM can add detail but the intent is to keep it brief. Only include detail if it cannot be found in another source. Financial is completed by CSS, so no need to replicate efforts.
